Dear Parents,

Registration opens to “in-school” families the week of **January 3, 2017**. “In-school” families include those who have children that previously attended SNS or who have a parent that is an alumnus of SNS. Completed registration forms need to be returned by **January 12th, 2017**. The order in which applications are received is of no importance. Current SNS families will receive first priority during the “in-school” registration period. “In-school” registration is done by a lottery. First preference is given to families with more than one child enrolled in SNS. It may be necessary for families to have siblings in different classes on common days. Second preference is given to families with special circumstances or problems as noted on their registration forms (for example, speech therapy sessions). It is the registrar's decision to prioritize these requests. Some requests will be fulfilled; some will enter the final phase. The final phase is a true lottery: names will be pulled randomly and added to the list in the order they were pulled.

Registration opens to the public on **February 1st, 2017** and will remain open until all positions are filled. Public registrations are processed in the order that they are received. Any “in-school” student applying after **February 1st** will be considered with the public students. As in previous years, wait lists will be kept.

All families will be notified of class assignments via email. There is a deadline of August 1st each year for parents to be able to switch their child from class to class, provided an opening is available. The exception to this rule is if your child is on a waiting list for a full class. In this circumstance, a move can be made after **August 1st** if a position becomes available.

Tuition Rates and Class Offerings:

Registration fee: non-refundable \$50 (additional children \$30 per child)

Two's Program

Monday/Wednesday 9am-11am \$753 per year with full assist

Young Three's Program

Tuesday/Thursday 9am-11:30am \$803 per year with full assist

Three's Program

Monday/ Wednesday 9am-11:30am \$803 per year with full assist

Tuesday/Thursday 9am-11:30am \$803 per year with full assist

Four's Program

Monday/Tuesday/Wednesday /Thursday 9am-11:30am \$1379 per year with full assist

Monday/Tuesday/Wednesday /Thursday 12pm-2:30pm\$1379 per year with full assist

SNS is committed to maintaining the cooperative spirit that makes the school unique. To provide greater flexibility to parents, SNS offers a partial assist alternative. This is available to families enrolled in the **3 or 4 programs that cannot meet the full assist requirement**. This is not offered to the 2's program. Families who choose a partial assist will pay additional tuition to cover the cost of a professional teaching aide who will take their place in the classroom.

We know everyone who walks through our doors believes that children should be nourished as individuals, respected and provided experiences to help them grow and flourish. We welcome service providers at our school. It is important to know that we do not have a certified medical professional on staff. If your child has a specific medical need, we ask that you contact our Educational Consultant, Kristen Brennan (414-6753) within a week of registration, to set up a meeting to make sure a plan is in place.

If you have any questions regarding the registration process or you would like to schedule an observation to observe a class, please contact me at **585-737-9745**.

Sincerely,
Julie Bottiglier
SNS Registrar

Explanation of Classroom Assisting

We have three excellent teachers who offer the children age appropriate learning experiences. Other adults must accompany the teacher during each class to facilitate the class plan, maintain our excellent ratio, and nurture the children. These other adults act in the role of a teacher's aide, and are known as classroom assistants. It is the parents or designee (rotating on a schedule) who fill this role.

FULL-ASSIST: These are families who can do all of their own assisting. **The approximate number of assists per year will depend on the class size and/or class need. A general guide for enrollment is:**

- Twos.....4-5
- Young Three's.....8-10
- Threes.....12-14
- Fours.....16-18

PARTIAL-ASSIST: These are families who want to “buy out” of some of their assists. Families are still responsible for snack if scheduled. Partial assists are not available for the 2's class.
